- **Communication:** Strong communication skills to collaborate effectively within a team environment.

EDUCATION

- **Bachelor of Computer Application (67.25%)** - VinobaBhave University, Hazaribagh (2013 – 2017)
- **Class XII (JAC) (42.4%)** - Bokaro Steel City College, Bokaro (2010 – 2013)
- **Class X (JAC) (65%)** - High School Bokaro Industrial Area, Bokaro (2010)

PROJECTS

[React Quiz App](#)

[GitHub](#)

- Developed a **Frontend Interface** for the World React Quiz App, specializing in conducting a fare quiz test.
- It allows users to take a **multiple-choice** question format.
- Implemented a **Timer Functionality** that enables a time bound test.
- Designed & build with **responsive** feature.
- Technologies: **ReactJs** | **JavaScript** | **HTML** | **CSS**

[Project Management App](#)

[GitHub](#)

- Developed a Responsive **Frontend Interface** of a Project Management App, specializing in keep tracking about the ongoing projects and the completed one. Also it has the features of adding tasks to the projects.
- Implemented a **Form Submission Functionality** that enables users to add the projects Date wise, and a **Sidebar Functionality** that will show the list of projects we have created, which we can also Navigate with just one click and quickly find the information about the project.
- Technologies: **ReactJs** | **JavaScript** | **HTML** | **Tailwind CSS**

[Investment Calculator App](#)

[GitHub](#)

- Developed a beautiful **Frontend Interface** for a Investment Calculator App
- Implemented a **Form Submission Functionality** that enables users to quickly enter the **Initial Amount**, **Annual Investment**, **Expected Return** and the **Duration** of a particular investment a user want to find out.
- Thus, it will provide a complete log about the Investment yearly wise as user selected in duration section. It includes the **Investment Value**, **Interest (year)**, **Total Interest** and **Invested Capital**. It will change accordingly as you change the input in your form to get the exact value.
- Technologies: **ReactJs** | **JavaScript** | **HTML** | **CSS**

EXTRA CURRICULAR ACTIVITIES

- **March 2018 – November 2019 – UPSC CSE Aspirant**
 - Studied at **Vajiram & Ravi Institute** (IAS Academy), Delhi.
 - Geography as an Optional Subject
- **Udemy Courses:**
 - **Python** | **ReactJs** | **FastApi** | **Dash by Plotly**
- **Software Known & Worked with:**
 - **VS Code** | **Pycharm** | **MySQL Workbench** | **Postman** | **Docker** | **MongoDB Compass** | **PostgreSQL**
